Australian health and wellness product company, Skin Elements Limited ([ASX:SKN](#)) declared a Binding Collaboration Term Sheet (Agreement) with Holista Colltech Limited ([ASX:HCT](#)) to launch alcohol-free natural hand sanitiser. Invisi Shield® Natural Hand Sanitiser combines new anti-microbial skin sensitive formula of Skin Elements with Holista's Path-Away® active ingredient.

The world's first sanitisers having the combination of advanced natural skincare formulations and Path-Away® active ingredient will hit stores in New Zealand and Australia ahead this month.
